Sunday Golf

Sunday Wainui Junior League competition. Orchard 9

Juniors are encouraged to come out on Sunday morning and play as a group. Coaches may follow the groups and supervise them for safety reasons. Parents are required to caddie, help with safety and speed of play.

A limited number of golf clubs are available for use from the club. The golf shop also has access to a great range of junior clubs via our suppliers, these are colour coded for size and weight.

Reservations for the Orchard 9 need to be made in the pro shop. Tee times are between 10am and 10.30am Sunday mornings.

The objective of this programme is to bring more juniors and families into golf - playing in a fun friendly environment at Wainui. We aim to give our juniors a basic understanding of golf, its rules and introduce them to playing some holes on the Orchard course.
